

Lemony chicken and radish salad

For 4 people, you will need:

- 300 g radishes
- 300 g cooked chicken
- 2 tablespoons herbs of your choice
- 100 g Lemon Mayonnaise

Total weight: 730 grams

Ready in: 21 min.

- Wash and dry 300 g radishes, then slice thinly (a mandolin is ideal for this).

Use large radishes if possible, as they are easier to slice.

- Dice 300 g cooked chicken fairly small.

- Put the radishes and chicken in a bowl, add the finely chopped 2 tablespoons herbs of your choice and mix well.

- Just before serving, add 100 g Lemon Mayonnaise and mix well.

- This salad should not be served too cold, so take it out of the fridge 30 minutes beforehand.
